SUMMARY

Marketing communications manager with five years of experience, including two years in-house at large technology companies. Plans and manages integrated marketing campaigns across outdoor advertising (OOH), brand partnerships, influencers, events, owned media and content, measured by cost per registration (CPA) and cost per view.

EXPERIENCE

Independent Communications Consultant, Avito Tech (contract), Remote | Sep 2026 - Present

- Produce customer case studies and product content for Trisigma, a B2B A/B testing platform.

PR Partner, Technology (PR Manager), Avito, Moscow | Jun 2025 - May 2026

Largest classifieds marketplace in Russia.

- Managed the integrated campaign for the company's first engineering management conference on a budget of about $100K, with 7 billboards near the offices of large technology employers, a limited-edition drink with a specialty coffee roaster in 4 coffee shops and 62 Telegram placements.
- Delivered 1,627 registrations at about RUB 1,100 each, about 1,000 on-site guests, 10,000 online viewers and 1.38M Telegram views.
- Managed eight Telegram influencer campaigns with 104 placements, 4.4M views, RUB 2.2 per view and a total budget of about $120K.
- Ran the AvitoTech engineering Telegram channel with 25K subscribers, growing average post reach by about 30% in a year, and the Trisigma product channel with 7K subscribers. Gathered facts for and edited Habr posts, including the A-Vibe LLM article with 20K readers.
- Promoted a company documentary, with Telegram views 45% above forecast and 126K views on VK Video.
- Organised video projects, including an interview with the Trisigma CEO and a conference talk recording, from talking points to filming.

PR Manager, AI and Technology Products, Yandex, Moscow | Nov 2024 - May 2025

- Led PR for the open-source release of the Perforator profiler, which ranked first among new GitHub repositories on launch day, received 2,038 stars in five days, reached 67K readers on Habr and was covered in four countries.
- Developed key messages and the placement brief for developer channels at the YandexGPT 5 launch and organised a podcast episode with 114K YouTube views.
- Launched the DivKit open-source UI framework update with agency placements in developer channels.

International PR Manager, Yandex, Moscow | Jun 2024 - Nov 2024

- Supported product and corporate communications in Kazakhstan with the international team.

Corporate Communications Specialist, Mars, Moscow | Oct 2023 - Jun 2024

- Supported communications for ESG and employee volunteering programmes.
