SUMMARY

Product communications manager moving into product marketing, with seven product launches in sixteen months at large technology companies across AI, developer tools, B2B SaaS and fintech. Core strengths are positioning and messaging for technical products, go-to-market (GTM) communications and customer case studies.

EXPERIENCE

Independent Communications Consultant, Avito Tech (contract), Remote | Sep 2026 - Present

- Produce customer case studies and product content for Trisigma, a B2B SaaS A/B testing platform.

PR Partner, Technology (PR Manager), Avito | Jun 2025 - May 2026

- Interviewed the CPOs of Burger King Russia and Detsky Mir and produced published customer stories explaining experimentation adoption, implementation barriers and organisational change.
- Developed external messaging for the product line and launched the Virtual Private Cloud delivery model, with coverage in CNews and Telecom Daily.
- Ran the Trisigma product Telegram channel with 7K subscribers and organised a video interview with the Trisigma CEO.
- Managed the announcement of the EXPF Sigma acquisition and communicated the resulting two-product line-up, with coverage in Kommersant, Inc. Russia and Habr.
- Brought the first interest-free instalment product on Russia's C2C market to launch with the product team and the partner, with coverage in Forbes and Inc. Russia.
- Generated 1,627 registrations at about RUB 1,100 each for the company's first engineering management conference.

PR Manager, AI and Technology Products, Yandex | Nov 2024 - May 2025

- Positioned the open-source Perforator profiler for developers and business media around code efficiency and potential infrastructure savings of up to 20%. The release gained 2,038 GitHub stars in five days.
- Developed developer messaging, a technical Q&A and an 11-item post-launch plan for the YandexGPT 5 launch, with about 70% of the plan delivered.
- Co-developed the company's messaging on open models after the DeepSeek release in January 2025.
- Managed the launch of the DivKit open-source UI framework update.

Strategic PR Manager, International Technology Products, Yandex | Jun 2024 - Nov 2024

- Adapted technology-product narratives and PR campaigns for CIS and MENA, analysing regional markets, regulation and communication channels.
- Sourced partners for a CIS research initiative with an international consultancy; coordinated local agencies and distribution, including US media pitching and digital advertising.

Corporate Communications Specialist, Mars | Oct 2023 - Jun 2024

- Supported communications for ESG and employee volunteering programmes.

PR Intern, PBN (PR agency) | Oct 2022 - Oct 2023

- Supported media relations for Yandex Go, Yandex Drive, Yandex Delivery and Ozon.

Social Media Manager, HSE University | Jun 2021 - Nov 2022

EDUCATION

Master's degree, International Business, HSE University | 2026

Double Bachelor's degree, Economics and Politics in Asia, HSE University and Kyung Hee University | 2019 - 2023

Exchange semester, Waseda University, Tokyo
