SUMMARY

Communications manager with a project management profile and five years of experience, including two years in-house at large technology companies. Manages multi-channel launches with several agencies, fixed timelines and budgets, and takes over projects in progress.

EXPERIENCE

Independent Communications Consultant, Avito Tech (contract), Remote | Sep 2026 - Present

- Deliver customer case studies and product content for Trisigma, a B2B A/B testing platform, to agreed deadlines.

PR Partner, Technology (PR Manager), Avito | Jun 2025 - May 2026

- Project-managed a four-channel campaign for the company's first engineering management conference on a two-month timeline, with two agencies and a budget of about $100K. The scope covered outdoor advertising, a brand partnership, influencer placements and press, and the campaign delivered 1,627 registrations.
- Maintained a pipeline of 10 to 18 agency tasks a month and delivered eight influencer campaigns in four months with 104 placements and 4.4M views.
- Took over the fintech communications stream in the first month and delivered two announcements within three months.
- Owned the annual PR plan for the B2B platform Trisigma, including targets, a tracker of awards and events and a customer pipeline.
- Planned and managed a two-week promotion of a company documentary with a second agency, with Telegram views 45% above forecast.
- Organised video projects, including an interview with the Trisigma CEO and a conference talk recording, from talking points to filming.

PR Manager, AI and Technology Products, Yandex | Nov 2024 - May 2025

- Led launch communications for the open-source Perforator profiler, connecting developer messaging with potential server-cost savings of up to 20%, as stated in the product announcement. The release gained 2,038 GitHub stars in five days.
- Developed an 11-item post-launch plan for YandexGPT 5 and delivered about 70% of it, including a podcast episode with 114K YouTube views that I organised.
- Managed the launch of the DivKit update, including the brief, the press release and agency placements.

Strategic PR Manager, International Technology Products, Yandex | Jun 2024 - Nov 2024

- Coordinated international technology-product PR projects across CIS and MENA, adapting regional plans and managing work with local agencies, media and partners.
- Developed an ESG project for Kazakhstan; sourced partners for a CIS research initiative with an international consultancy and sought a GR-specialist agency in MENA.

Corporate Communications Specialist, Mars | Oct 2023 - Jun 2024

- Supported communications for ESG and employee volunteering programmes.

PR Intern, PBN (PR agency) | Oct 2022 - Oct 2023

- Supported media relations for Yandex Go, Yandex Drive, Yandex Delivery and Ozon.

Social Media Manager, HSE University | Jun 2021 - Nov 2022

EDUCATION

Master's degree, International Business, HSE University | 2026

Double Bachelor's degree, Economics and Politics in Asia, HSE University and Kyung Hee University | 2019 - 2023

Exchange semester, Waseda University, Tokyo
